

Westchester County Community

OPEN HOUSES

COME JOIN US!

The New York Power Authority (NYPA) and New York Transco invite you to learn about Propel NY Energy, an innovative underground electric transmission solution proposed in your area. The electric transmission system is key to our daily lives that will:

Bolster system
reliability &
resiliency

Create pathways to
deliver clean energy
to New York homes
and businesses

Propel NY Energy includes

Installation of approximately **90 miles of new underground & submarine transmission lines**

New & upgraded substations carefully routed to avoid and minimize impacts in parts of Nassau and Suffolk Counties, Queens, Bronx, and Westchester County
